

# A Black Thong Lyrics

## Intro

## Verse 1

Tonight it's just me and this bottle stewart slow  
Jumpin' at shadows and feelin' way too exposed  
Love's wreckage flickers on a cracked TV  
What's a desperate dude to do when he's flyin solo?

The right place the wrong time yeah that's always my sign  
I know myself my dreams don't ever play fair  
I fight the facts like the truth doesn't matter  
Then she walks in, boom, hot damn she blows my mind

## PreChorus 1

She leans in close, I catch a fever  
Flashes that smirk, I lose myself  
If I could steal just, one night with her  
I'd smile my way through the flames of hell

Ooo, ooo, oo  
Ooo, ooo, ooo, ooo  
Ooo, ooo, ooo, ooo o

## Chorus 1

Wow  
I feel so alive  
Wow  
She's sexy as sin  
Wow  
We'd set the room on fire  
Wow  
Let the night begin

Wow

There's a black thong  
Wow  
A black thong  
Yeah a black thong  
Behind that angel's face  
It makes my heart sing  
It makes my heart race

Damn  
Damn damn damn

## **Verse 2**

Time moves sideways and gravity slides off her cheek  
I got this chorus caught behind my teeth  
My nerves are loud they're buzzing like a radio  
God give me the guts the fire the right words to speak

She's camera-ready knows just when to crack a smile  
My thoughts are spinnin' heavy like a wreckin' ball  
I dive in deep like I've got somewhere to go  
Each step's a gamble hopin' I can match her style

## **PreChorus 2**

She leans in close, I catch a fever  
Flashes that smirk, I lose myself  
If I could steal just, one night with her  
I'd smile my way through the flames of hell

Ooo, ooo, oo  
Ooo, ooo, ooo, ooo  
Ooo, ooo, ooo, ooo o

## **Chorus 2**

Wow  
I feel so alive  
Wow  
She's sexy as sin

Wow  
We'd set the room on fire  
Wow  
Let the night begin

Wow  
There's a black thong  
Wow  
A black thong  
Yeah a black thong  
Behind that angel's face  
It makes my heart sing  
It makes my heart race

Damn!

### **Outro Chorus 3**

Please God  
I'm begging you  
I'll never ask for anything else ever again

Ooooooo

It makes my heart sing  
It makes my heart race  
Yeah

Ooooooo
