

# A Misión Of Heart

## Intro

I have a simple mission in this life of mine

## Verse 1

Man is a creature, tender in his heart  
Fighting for his rights, playing in the dark

Man is a lover, maker of his home  
Protector of his own, man has a mission

## Prehook 1

A mission to be himself and nobody else, nobody else

## Hook 1

I am a man, with a mission of heart  
I try so hard to be what I am  
Cuz' all that I am is a man  
I wanna love the world

And spread peace and joy

## Verse 2

There's so much to do, so much to see  
For better or for worse, it's the way I wanna be

I wanna do, what I want  
Be who I am, and that is a man

## Prehook 2

I wanna be myself and nobody else  
Nobody else, nobody else, no-bo-dy else

## **Hook 2**

I am a man, with a mission of heart  
I try so hard to be what I am  
Cuz' all that I am is a man  
I wanna love the world

And spread peace and joy (let me love you)

## **Verse 3**

Why don't you, tell me what you want  
Tell me what you see, and what you believe

Tell me how you feel, does it feel real  
Tell me if you cry, in the middle of the night?

Tell me what I can do, and I will try to help you  
Because I love, I love you!

## **Hook 3**

I am a man, with a mission of heart  
I try so hard to be what I am  
Cuz' all that I am is a man  
I wanna love the world

And spread peace and joy...
