

Bubbles

(Do you hear the bubbles?)

Verse 1

Sitting on a bench
Warm breeze on my face
The sweet smell of your scent
A perfect day begins

Verse 2

Begins so innocently
Sun peeking out today
Feeling daring and free
Unleashing endless rays

Bridge

Of positivity
Of positivity

Chorus 1

Gaze up in the air
Bubbles floating by
Everywhere I look
Bubbles fill the sky

Floating next to me
Happy as can be
Making me feel lively
And so free

Variation 1

Next to me
Floating next to me

Dancing with me playfully
Bubbles all around

Chorus 2

Gaze up in the air
Bubbles floating by
Everywhere I look
Bubbles fill the sky
(magical floating bubbles)

Floating next to me
Happy as can be
Making me feel lively
And so free

Verse 3

Eventually I'm dazed
The day hits a snag
Your eyes red and crazed
Here to swat me down

Verse 4

And take me down a notch
But I won't let you
I sit back and watch
I remember all those bubbles

Variation 2

Next to me
Floating next to me
Dancing with me playfully
Bubbles all around

Pre Chorus

(Bubbles being free)

(Bubbles being bubbly)
(Bubbles next to me)
(Bubbles)

Chorus 3

Gaze up in the air
Bubbles floating by
Everywhere I look
Bubbles fill the sky

Floating next to me
Happy as can be
Making me feel lively
And so free
