

Do You Wanna Dance?

Show me a sign
Can you please be mine?

Verse 1

All night long
Your smile's going strong
Such a fool to think one look would do
I fell hard for you
And I wanna try
But I'm way too shy, too shy

Pre-Chorus 1

Every eye in the room can see
That my heart is beating so wildly
Do you wanna dance, dance with me?

Chorus 1

I wanna know
Am I too late for the show
Do you realize I'm so paralyzed
Do you wanna dance with me?

Verse 2

I'm gonna ask you to dance
Ready to take the chance
Though the room's starting to spin
Going in for the win
Can't wait any more
Don't care if you say no

Pre-Chorus 2

Every eye in the room can see

That my heart is beating so wildly
Do you wanna dance, dance with me?

Chorus 2

I wanna know
Am I too late for the show
Do you realize I'm so paralyzed
Do you wanna dance with me?

Bridge

I'm looking for a way in
I'm gonna find a way in

Chorus 3

I wanna know
Am I too late for the show
Do you realize I'm so paralyzed
Do you wanna dance with me?

Chorus 4

I wanna know
Am I too late for the show
Do you realize I'm so paralyzed
Do you wanna dance with me?

Extro

Wait!

I wanna know
Am I uh too late, for the show
Do you realize, I'm so paralyzed
Do you wanna dance with me?

I gotta know
Am I too late?

Do you wanna dance, um, with me?
Do you wanna dance, aaah, ooh boy
Do you wanna dance with me?
