

Easter

Verse 1

God sent us his only son
This little baby grew fast
He was the chosen one
Knew to hold his own tongue

He lived a life so pure
Taught us how to love
So humble and so sure
He handed us the cure

Chorus 1

(Because of him), I can be free
(Because of him), I have no fear
(Because of him), I can believe
(Because of him), My path is real

(Jesus Christ, Jesus Christ)
He did the impossible
(Jesus Christ)
He made it all possible

Verse 2

After darkness comes the light
Jesus died for us
Didn't put up a fight
Did it to make things right

He showed us a new tower of love
One we all deserve
Revealed the power of
God's shower of love

Chorus 2

(Because of him), I can be free
(Because of him), I have no fear
(Because of him), I can believe
(Because of him), My path is real

(Jesus Christ, Jesus Christ)
He did the impossible
(Jesus Christ)
He made it all possible
