

Every Songwriter NEEDS To Spend Some Nights Here In Nashville

Intro

Verse 1

We enjoy victories
But they're few and far between
We see a picture
And we know what it really means

We sweat to get better daily
Struggle chasing bright lights
We're always hungry and workin
Chasing vibes every night

PreChorus 1

But there's a secret
Most don't know
I was told it long ago
It'll help you
Rock your show

Chorus 1

Every Songwriter Needs To Spend Some Nights
Here In Nashville
It's just what you gotta do
To let the music come to you

Every Songwriter Needs To Spend Some Nights
Here In Nashville
That's what we've gotta do
Why don't we stay a night or two?

Verse 2

Here, Johnny walked the line
Kenny rolled the whiskey dice
Garth, Shania & Blake ruled
Dolly worked 9 to 5 dreamin of a better life

Well, you know there's still a bit of Nashville
Whisperin in Taylor's ear
If you want to climb the charts
Come breathe in the past and magic here

PreChorus 2

If you wanna make it
No way to escape it
If you can take it
Here's what you gotta do
It's really up to you

Chorus 2

Every Songwriter Needs To Spend Some Nights
Here In Nashville
It's just what you gotta do
To let the music come to you

Every Songwriter Needs To Spend Some Nights
Here In Nashville
That's what we've gotta do
Why don't we stay a night or two?
(Hee haw)

Solo

Bridge

Every Songwriter longs to strut on stage
At the Grand Ole Opry
To the cheers of a
Thousand music fans
Ay ay ay

Chorus Outro

Every Songwriter Needs To Spend The Night
Here In Nashville
It's just what you gotta do
To let the music come to you

Every Songwriter Needs To Spend Some Nights
Here In Nashville
So now you know what you gotta do
To make it like the hitmakers do
