

# Father's Day

## Verse 1

You run to me when it hurts  
And I'd do anything for you  
Cuz' you got my brown eyes  
You're more than I deserve

I'm overwhelmed work too much  
That's why I can't ever sleep  
But I don't mind at all  
I'm there no matter what

## PreChorus 1

I stand tall I sit weak  
I'm a mess while you're asleep  
But you're the one  
I always need

## Chorus 1

I do it all  
No need to cheer  
You've got a heart  
That makes me smile  
Father's Day is here  
Best day of the year

## Verse 2

There are memories I'll never forget  
Your smile on the first day of school  
Your first scraped knee and the moment  
You drew your first breath

Now no day goes by without mistakes  
You're just smart enough to be dumb

But it's my job to raise you right  
Cuz' life will be full of pain

### **PreChorus 2**

I stand tall I sit weak  
I'm a mess while you're asleep  
But you're the one  
I always need

### **Chorus 2**

I do it all  
No need to cheer  
You've got a heart  
That makes me smile  
Father's Day is here  
Best day of the year

### **Solo**

### **Chorus 3**

I do it all  
No need to cheer  
You've got a heart  
That makes me smile  
Father's Day is here  
Best day of the year

### **Outro Chorus**

I do it all  
No need to cheer  
You've got a heart  
That makes me smile  
Father's Day is here  
Best day of the year
