

HAppy Axxidents

Intro

Verse 1

Signing divorce papers but I'm so excited
No more wasting my good days on you
Riding the open highway and I'm not nearsighted
No more wasting my dreams on you

PreChorus 1

I'm bigger than this
And I'm better than this
And I'm bigger than you
And I'm better than you

PreChorus 2

I don't wanna waste my pretty on you
I won't let your heart take another bite
No more wondering if you're speaking truth tonight
And you're not gonna keep me out from the light

Now my life is full of

Chorus 1

Happy accidents
To the left
To the right
Happy accidents

Happy accidents
All day every day
Happy accidents

Happy accidents

Hear what I say
Happy accidents

Happy accidents
They make my yay
Happy accidents

Verse 2

You still dance with dynamite its true
But I'm done wasting my energy on you
Oh you hate to love me love to hate me your next toy might quit too
But I'm not coming back wasting my soul on you

PreChorus 3

I'm bigger than this
And I'm better than this
And I'm bigger than you
And I'm better than you

PreChorus 4

I don't wanna waste my pretty on you
I won't let your heart take another bite
No more wondering if you're speaking truth tonight
And you're not gonna keep me out from the light

Now my life is full of

Happy accidents
To the left
To the right
Happy accidents

Happy accidents
All day every day
Happy accidents

Happy accidents
Hear what I say
Happy accidents

Happy accidents
They make my day
Happy accidents

Bridge

There's a rainbow out there
Past where I can see
And just so you know
Now my favorite color is me
I'm tunin out the world
I'm tunin into me

Chorus 3

Happy accidents
To the left
To the right
Happy accidents

Happy accidents
All day every day
Happy accidents

Happy accidents
Hear what I say
Happy accidents

Happy accidents
They make my day
Happy accidents
