

I Feel You

Intro

Verse 1

I feel you
As the air stirs
The scent, of the incense
The flicker, of my candle as the crowd grows bigger
It's the perfect picture

PreChorus 1

Going to church always calms my aches
My burdens fade cuz I've found my escape

Chorus 1

(Here)
There is hope
(Here)
There is more

There is love
(Here)
I feel you my lord

Verse 2

I feel you
As the choir sings
Inside a warmth, outside a storm
God is here, holds and keeps us safe all throughout the year
All your worries will disappear

Going to church always calms my aches

My burdens fade cuz I've found my escape

Chorus 2

(Here)

There is hope

(Here)

There is more

(Here)

There is love

(Here)

I feel you my lord
