

# I'm A biTCH!

## **Intro**

## **Verse 1**

I know how this goes  
I've seen it on Tv  
She wears red like a single girl  
Flips her hair playfully

Laughs at everything he says  
Barely looks my way  
She wears a smile as she taps his arm  
I'm trapped in a burning cage

## **Prechorus 1**

I lose it  
Brows up  
Arms folded  
Mumbling  
Stumbling  
It hurts to be alive  
Tonight

## **Chorus 1**

I pretend it doesn't bother me  
But everyone can clearly see  
Eyes red fists clenched  
I'm a bitch a jealous bitch

I can't help it I'm a bitch  
It's an itch I can't fix  
I've become a bitch  
I'm outta line I'm a bitch

## **Verse 2**

I look so stupid when I lose control  
Can't keep my beer glass dry  
I've destroyed her trust  
And there's no good reason why

## **Prechorus 2**

I lose it  
Brows up  
Arms folded  
Mumbling  
Stumbling  
It hurts to be alive  
Tonight

## **Chorus 2**

I pretend it doesn't bother me  
But everyone can clearly see  
Eyes red fists clenched  
I'm a bitch a jealous bitch

I can't help it I'm a bitch  
It's an itch I can't fix  
I've become a bitch  
I'm outta line I'm a bitch

## **Bridge**

I know its not true my thoughts are not reality  
There's nothing I can do I'm drowning in her gravity  
I can't help myself I'm trapped in my own hell

Scratch scratch scratch scratch this itch  
I exist to be your bitch

### **Chorus 3**

I pretend it doesn't bother me  
But everyone can clearly see  
Eyes red (yeah) fists clenched (yeah)  
I'm a bitch (yeah) a jealous bitch

I can't help it I'm a bitch (yeah)  
It's an itch I can't fix (uhh, uhh)  
I've become a bitch (yeah)  
I'm outta line (yeah) I'm a bitch (yeah)
