

# LiEs

## Verse 1

I stay  
Though I'm being deceived  
It'd be okay  
If you paid just a little attention to me

## Verse 2

At times  
Better not to ask why  
At times  
It's better not to cry or even ever try

## Pre Chorus 1

Running out of time  
Running for my life  
I can't live a lie  
I can't live with you  
I can't live with lies  
I can't live with you  
I can't live with lies

## Chorus 1

Lies  
Big and small Lies  
Lies  
You tell them all Lies  
Lies  
Day and night Lies  
Lies  
It's just not right Lies

Years fly by

My life might be ruined

You're not at my

Side when you're out there doing what you're doing

### **Verse 4**

I wake up faithful

Hoping that you'll be there

A hint of betrayal

Cologne stuck to your hair and hanging in the air

### **Pre Chorus 2**

Running for my life

I can't live a lie

I can't live with you

I can't live with lies

I can't live with you

I can't live with lies

Big and small Lies

You tell them all Lies

Day and night Lies
