

Mother's Day

Verse 1

You, you always wore an eager smile
I don't know how you had such style
And still got it done

Believe, you always believed and made sure
You just always had the cure
Yeah you get it done

PreChorus 1

A hug with you can last for
As long as you want it to
Worrying won't change our tomorrow
But you worry anyway yes you do
Ooooo

Chorus 1

Mother's Day deserves a tune or two
And this Mother's Day I wrote one for you
Yeahhh

You deserve a neverending thank you
So I put it in a song just for you

You're always there just when I need you
You're the glue it's nothing new
So I put it in a song, for you

Verse 2

You, you picked me up when I was down
Kept my bad days from being loud
Yeah you were the one

Away, you took away the doubt and pain
The world should know your name
Cause you are the one

PreChorus 2

A hug with you can last for
As long as you want it to
Worrying won't change our tomorrow
But you worry anyway yes you do
Ooooo

Chorus 2

Mother's Day deserves a tune or two
And this Mother's Day I wrote one for you
Yeahhh

You deserve a neverending thank you
So I put it in a song just for you

You're always there just when I need you
You're the glue it's nothing new
So I put it in a song, for you

Instrumental

Greek men aren't easy to love
But My Momma, MY MOMMA loved two

Chorus 3

Mother's Day deserves a tune or two
And this Mother's Day I wrote one for you
Yeahhh

You deserve a neverending thank you
So I put it in a song just for you

You're always there just when I need you

You're the glue it's nothing new
So I put it in a song, for you
