

NEVER trust A Happy Song

Intro

Verse 1

I've lived so many lives
Lost track of countless nights
Died so many times
But I've yet to do one right

Always bite the same bait
I just keep tempting fate
Makin the same mistakes
Can't ever catch a break

Pre-Chorus 1

The world cares nothing about me
(It'll lie to you)
Maybe it's right to doubt me
(It won't cry for you)
It keeps crappin on me
(It won't stand by you)
And the world moves on without me
(And it won't die for you)

Chorus 1

You should never trust
Never trust a happy song
Oh—no—oh— no
You should never trust
Never trust a happy song
Oh—no—oh— no

Verse 2

Every gift seems unwrapped

Mind struggles to adapt
Dance around the same traps
Til the moment I collapse

Dive back in thinking I'm safe
Trust things will be okay
Til happy walks away
And I lose my escape

Pre-Chorus 2

The world cares nothing about me
(It'll lie to you)
Maybe it's right to doubt me
(It won't cry for you)
It keeps crappin on me
(It won't stand by you)
And the world moves on without me
(And it won't die for you)

Chorus 2

You should never trust
Never trust a happy song
Oh—no—oh— no
You should never trust
Never trust a happy song
Oh—no—oh— no

Bridge

I wrote this song so others can be aware
A happy song is just a fatal love affair

Chorus 3

You should never trust (No)
Never trust a happy song
Oh—no—oh— no (Never trust)

You should never trust (No no)
Never trust a happy song
Oh—no—oh— no

Forget the Happy Song

(Forget the Happy Song)
(Oh—no—oh— no)
