

# No One's Perfect Until...

## Verse 1

Living isn't for the weak  
Too many friends of mine  
Spent decades in free fall  
Waiting for a sign

Clock ran away from me  
Lessons learnt, left me burnt  
Body grew heavy  
Life got messy

## Prechorus 1

I didn't just make mistakes  
I made choices  
Created heartaches  
Ignored the noises

## Chorus 1

You never never had my attention  
Though you deserved it way more than them  
In me you saw no damn imperfection  
Just a rose without its stem

Every day I asked you why oh why  
Always got the same reply  
You said no one's perfect  
until you fall in love with them

(No one is perfect until  
You fall in love with them  
No one's perfect until  
Until you fall in love  
You fall in love with them)

## **Verse 2**

I walked down red carpets so  
Unsure where to go  
Fell under fast went nowhere  
Down an empty road

Slept on both ends of the bed  
Only realized after the fall  
The most important things in life  
Aren't things at all

## **Prechorus 2**

I didn't just make mistakes  
I made choices  
Created heartaches  
Ignored the noises

## **Chorus 2**

You never never had my attention  
Though you deserved it way more than them  
In me you saw no damn imperfection  
Just a rose without its stem

Every day I asked you why oh why  
Always got the same reply  
You said no one's perfect  
until you fall in love with them

(No one is perfect until  
You fall in love with them  
No one's perfect until  
Until you fall in love  
You fall in love with them)

## **Bridge**

Your heart always kept its own time  
I loved breathing in your sunshine  
You were not allowed to choose  
What you were famous for

### **Chorus 3**

You never never had my attention  
Though you deserved it way more than them  
In me you saw no damn imperfection  
Just a rose without its stem

Every day I asked you why oh why  
Always got the same reply  
You said no one's perfect  
until you fall in love with them

(Nothing is perfect  
Until you fall in love with them  
Until you fall in love with them)

### **End**

If something can go wrong  
it will, twice  
But with you by my side  
Every day will forever be paradise

You've made this the greatest love story of all time (of all time)
