

Same Old Christmas

Intro

Verse 1

Work's done at eight
But I'm always running late
When the snow starts to fall
They say it's happy time for all
I've gone thru my life
But I can't enjoy the ride
Played it safe no lucky break
I never had a seat on Santa's sleigh

Prechorus 1

Why've I this regret?
Why've I so much doubt?
Why do I still forget?
What's my life's about

Chorus 1

Every single year
As December's drawing near
I put my hope in Christmas
Cause I believe in Christmas

But when the time has come
Those disappointing bells have rung
It's the same old Christmas
It's the same old Christmas

Verse 2

Am I the one to blame?
What is wrong with my brain?

I'm always hard on myself
I never heard a real jingle bell
My feelings don't make any sense
I'll die alone in the end
I never hear any angels sing
Or feel the love of a newborn king

Prechorus 2

Why've I this regret?
Why've I so much doubt?
Why do I still forget?
What's my life's about

Chorus 2

Every single year
As December's drawing near
I put my hope in Christmas
Cause I always love Christmas

But when the time has come
Those disappointing bells have rung
It's the same old Christmas
It's the same old Christmas

Bridge

Oooo
Oooo
Oooo
Oooo
Oooo
Oooo
Oooooooo

Chorus 3

Every single year

As December's drawing near
I put my hope in Christmas
Cause I believe in Christmas

But when the time has come
Those disappointing bells have rung
It's the same old Christmas
It's the same old Christmas

Outro

I hear the words Merry Christmas
And I don't know what to do
All the cheer and joy
Well it never feels true
I just need help
Learning not to run away
So I'll just say
Merry Christmas to you
