

# Somechin' to Believe In

## Verse 1

Life's an open road  
Every day a new adventure  
Opportunity behind every door  
But you always want more

You swallow your doubt  
Can't get outta bed  
You're never satisfied  
Your tears just can't be denied

## PreChorus 1

I just really really hate it when you're strugglin'  
I just really really hate it when you're in pain  
But

## Chorus 1

All I can do is tell you to fight it  
And help you get the ship righted  
I hope you know I'm never leavin'  
I'll always give you somethin'

Somechin' to believe in

## Verse 2

We get past the night  
We've been here before  
Sometimes we waste the good days  
And we don't want the same old clichés

Just be who you are  
It's what the world needs  
And finding light isn't easy

But I'll always love you deeply

### **PreChorus 2**

I just really really hate it when you're strugglin'  
I just really really hate it when you're in pain  
But

### **Chorus 2**

All I can do is tell you to fight it  
And help you get the ship righted  
I hope you know I'm never leavin'  
I'll always give you somethin'

Somethin' to believe in

### **Guitar Solo**

Something to believe in  
Something  
Anythin'  
Something

### **Chorus 3**

All I can do is tell you to fight it  
And I'll always give you somethin'  
To believe in

### **Chorus 4**

And all we can do is tell you to fight it  
And help you get the ship righted  
I hope you know we're never leavin'  
We'll always give you somethin'

Somethin' to believe in  
Somethin' to believe, in

Somethin' to believe, in  
Somethin' to believe in
