

The Time (for Miracles)

Intro

Verse 1

You're tired
Of struggling
Of everything
Breaking down, including you

On your knees
You're hoping
Always praying
For a touch of light, to save you

PreChorus 1

You feel like it's time for you to leave
You don't know what you're doing anymore
You wanna just let go but you can't

Cause he won't let you
He always helps you
And reminds you that

Chorus 1

Christmas is the Time
The Time for Miracles
Christmas is the Time
To believe in Miracles

Christmas is the Time
The time
For miracles

Verse 2

He made
You feel things
And gave you wings
Helped you believe in sunsets, again

You're just so
Very glad
You can now have
A rosy normal life, again

PreChorus 2

You feel like it's time for you to leave
You don't know what you're doing anymore
You wanna just let go but you can't

Cause he won't let you
He always helps you
And reminds you that

Chorus 2

Christmas is the Time
The Time for Miracles
Christmas is the Time
To believe in Miracles

Christmas is the Time
The time
For miracles

Bridge

I used to live on the naughty list
I'd beg for a single Christmas wish

But on my darkest night
Santa surprised me with the
Miracle that changed my life

And one miracle can change everything!

Chorus 3

Christmas is the Time
The Time for Miracles
Christmas is the Time
To believe in Miracles

Chorus 4

Christmas is the Time
The Time for Miracles
Christmas is the Time
To believe in Miracles

Christmas is the Time
The time
For miracles...

Outro

Snowflakes melt on my face
Santa's been busy
I'm surrounded by miracles
Including the miracle, of you
