

We Accept The Love We Think We Deserve

Verse 1

As the day comes to a close
Another sad day gone by
Wish I was on the beach in Mykonos
Instead of living this life

You're on the outside looking in
You ask me why I won't leave
Seems obvious to all who know me
This relationship is not for me

Chorus 1

We accept the love we think we deserve
In my life I've made so many mistakes
And somewhere along the way
I lost my faith after all these heartaches

Verse 2

It doesn't seem quite so bad to me
Getting yelled at daily
I do it for reasons others just can't believe
I take the abuse so easily

I sit emotionless, I look so strange
Thru the words, the bruises and the blame
My body language just doesn't change
And my reasons stay the same

Chorus 2

We accept the love we think we deserve
In my life I've made so many mistakes
And somewhere along the way
I lost my faith after all these heartaches

Solo

I've lost my way
I've lost my way
I've lost my way
I've lost my way

Chorus 3

We accept the love we think we deserve
In my life I've made so many mistakes
And somewhere along the way
I lost my faith after all these heartaches

Extro

We accept the love
I accept the love
We accept the love
Do you accept the love?

We accept the love
I accept the love
We accept the love
Do you accept the, love?
