

# Our Wedding Song

## Intro

(Are we dreaming?)

Yes

## Verse 1

I never thought the day would come  
When I would be the one  
Walking down the aisle  
In style all full of smiles

## PreChorus 1

Still dancing in the clouds  
With only you around  
The lead in a Disney movie  
Spell bound by your beauty

## Chorus 1

All I hear today is our Wedding Song  
My heart beats strong  
Nothing feels wrong  
I want to listen to this song  
All night long  
This Wedding Song  
Is where we belong  
This is our Wedding Song

## Verse 2

Sweet melody plays on and on  
Sun sets on a sea of white  
Soon this perfect night'll end  
And we'll rest in the same bed

## **PreChorus 2**

Still dancing in the clouds  
With only you around  
The lead in a Disney movie  
Spell bound by your beauty

## **Chorus 2**

All I hear today is our Wedding Song  
My heart beats strong  
Nothing feels wrong  
I want to listen to this song  
All night long  
This Wedding Song  
Is where we belong  
Babe, this is our Wedding Song

## **Instrumental**

(Do you love me?)

You're simply the best  
I'm so happy you said yes  
Now all my dreams are true  
I'm so happy you said yes  
Now its just me n' you
