

# What If I never See You Again

## Verse 1

You passed away almost 2 years ago now  
Every night I go searching  
Looking for a sign of your immortal shadow  
I wish I'd see a sign, any sign would do

I just wanna know you're in a safer place now  
Back to your old healthy happy self  
And that you feel better somehow  
I wish I could hear your voice again

## Chorus 1

My thoughts run wild  
As I lie awake I just can't sleep  
What if I never see you again?  
My mind thinks as my heart starts to weep

What if there is no heaven?  
What if my heart, does never mend?  
I feel so sad without you as my friend  
And I wonder if I'll ever, ever see you again

## Verse 2

I wish I was more secure  
I wish I was stronger  
I wish I could find the cure  
And believe in my humanity & in you

I'm half the man I used to be  
I never used to not believe  
Especially when I try to fall asleep  
Cuz' now I feel so abandoned

## **Chorus 2**

My thoughts run wild  
As I lie awake I just can't sleep  
What if I never see you again?  
My mind thinks as my heart starts to weep

What if there is no heaven?  
What if my heart, does never mend?  
I feel so sad without you as my friend  
And I wonder if I'll ever see you again

If I'll ever see you again...

## **Instrumental**

I'm so scared  
That I may not  
Ever see you again

## **Verse 3**

The days go by so fast  
I'm begging you for a sign  
Cuz' I'm not sure that I can last  
Please do that thing you like to do

Any old sign will do  
A voice, an image, a vivid memory  
Are you up there enjoying the view  
Are your arms wide open waiting for me

## **Chorus 3**

My thoughts run wild  
As I lie awake I just can't sleep  
What if I never see you again?  
My mind thinks as my heart starts to weep

What if there is no heaven?

What if my heart, does never mend?  
I feel so sad without you as my friend  
And I wonder if I'll ever, ever see you again

#### **Chorus 4 (Fade out)**

My thoughts run wild  
As I lie awake, (I just) I just can't sleep  
What if I never see you again?  
(My mind thinks) My mind thinks as my heart starts to weep

(What if there) What if there is no heaven?  
What if my heart (my heart does never mend) never mends?  
I feel so sad without you as my friend  
(And I wonder) And I wonder if I'll, ever, ever, ever (see you again)

Again, again, again, again, again...
