

Will YOU MArrY me? Lyrics

Intro

Verse 1

I, remember the exact moment
The sunlight, danced thru your hair
I knew right there and then, you were heaven sent
My new heartbeat, we became the perfect pair

PreChorus 1

Like two stars colliding in the night
We haven't always said the right things
But you make me wanna live forever
So I bought you a ring

Chorus 1

I'm gonna ask you
Maybe tonight
I have to ask cause
We feel so right

You're the melody
That echoes through my dreams
Will you stay with me?
Will you marry me?

Interlude

Verse 2

I, remember days without your love
I never, want to go back there
Before you I was scared, but you took away my fear
Now I'm living in the song, the song we share

PreChorus 2

Like two stars colliding in the night
We haven't always said the right things
But you make me wanna live forever
So I bought you a ring

Chorus 2

I'm gonna ask you
Maybe tonight
I have to ask cause
We feel so right

You're the melody
That echoes through my dreams
Will you stay with me?
Will you marry me?

Bridge

I've made up my mind, you're my true north star
Promise me we won't waste any more time, away from other's arms

Chorus 3

I'm gonna ask you
Maybe tonight
I have to ask cause
We feel so right

I said

Chorus 4

I'm gonna ask you
Maybe tonight
I have to ask cause
We feel so right

You're the melody
That echoes through my dreams
Will you stay with me?
Will you marry me?
