Smile away the pain  
Always stay the saint

Why won't you believe  
You are my true love  
Everyone can see  
You're my destiny

You're my guiding light  
No reason to hide  
Heart is open wide  
You are my whole life

Every time I fall  
You catch me and then  
Take away the pain  
Make me feel so safe

Why're you insecure  
Crazy what you think  
You know that it's true  
I've only eyes for you

No reason to hide  
Heart is open wide  
You are my whole life

From the moment I heard you laugh  
It's been nonstop fun
