

# Your SMile

## Verse 1

Your story deserves to be told  
Your SMile is a sight to behold  
You deserve your time in the light  
Cuz' you changed my life & made everything right

Outside yellow flowers bloom  
Inside your SMile paints the room  
When you drifted into my life  
You put a spring in my step  
That never left

I dreamt of Your SMile last night

It's crazy but it's true  
It's crazy  
I'm crazy  
Crazy in love with you
