

i COULDn't help u

Verse 1

I grew up in your arms
You kept me from harm
As the years went by
You stayed by my side
Don't say it's goodbye

Prechorus 1

I can't believe you're going away
Though you don't want to
No no

I can't believe you're going away
I know you'd rather stay
No No No

Chorus 1

I feel sad
Feel so bad
I couldn't help you
After all you did for me
Things got too difficult for you
Ooo

And I couldn't help you
Help you

Verse 2

The last day's here at last
Oo, it was a blur happened so fast
All we have now are memories
And the strength you gave to me

Prechorus 2

I can't believe you're going away
Though you don't want to
No

I can't believe you're going away
I know you'd rather stay
No No No

Chorus 2

I feel sad
Feel so bad
I couldn't help you
After all you did for me
Things got too difficult for you
Ooo

And I couldn't help you
And I couldn't help you

Bridge

Ba do ba bo bo ba da ba bo bo
All of the drama and all of the stories

Ba da ba ba ba ba ba ba
None of it matters anymore

Cuz you're not coming back
Cuz you're not coming back
Not coming back

Chorus 3

I feel sad
Feel so bad
I couldn't help you

After all you did for me
Things got too difficult for you
Ooo Oooaa

And I couldn't help you
And I couldn't help you

Outro

Heck I couldn't help you
