

# It's Christmas Time

## Intro

I think (it's Christmas time) again

## Verse 1

Once again it's snowing, outside  
I look out my window with cheer  
I'm filled with such a sense of, pride  
This is my favorite time of the year

Once again I feel so, peaceful  
Memories as a child flood my mind  
Food I've eaten makes my belly full  
I'm having such a good time

## Chorus 1

It's that time of the year  
The air is clean & pure, & clear  
The good times are here  
Cuz' Santa makes me, so full of cheer

It's Christmas time!

## Instrumental

## Verse 2

Snow is falling softly, outside  
Out in the cold I look up to the sky  
Yet I'm feeling cozy, tonight  
Such a feeling I can't deny

As the night takes over, the skyline  
This scene is such a treasured sight  
And I'm happy for all that is mine

Once again, everything feels right

## **Chorus 2**

It's that time of the year  
The air is clean & pure, & clear  
The good times are here  
Cuz' Santa makes me, so full of cheer

It's that time of the year  
The air is clean & pure, & clear  
The good times are here  
Cuz' Santa makes me, so full of cheer

It's Christmas time!

## **Sax Solo**

Do you hear that?

The kids are happy  
And the angels are singing

## **Chorus 3**

It's that time of the year  
The air is clean & pure, & clear  
The good times are here  
Cuz' Santa makes me, so full of cheer

It's Christmas time

Yep, it's still Christmas time  
Still, Christmas time!
