

The Happiest Time Of The Year

Verse 1

They say it's the most wonderful time of the year
I say it's surely a time filled with cheer
Some people say it's usually a silent night
I say Christmas always makes me feel so right

It's Christmas time again
An easy time to enjoy a friend
It's a time that's so special to us
With time honored traditions we simply trust

Chorus 1

It's truly the happiest time of the year
So special and so full of cheer
A time to be with my friends
A time to say sorry and make amends

Will you be happy with me?
It's a very simple time you must see
Let us remember who we truly are
Mere mortals with a gentle heart

Verse 2

Over the hills some people go
Others love to play in the snow
Sledding around for all to see
Some kids even throw snowballs at Frosty

It's just a time I'm eager to treasure
All kids I hope have no displeasure
A simple happy time of the year
For Santa to give them some cheer

Chorus 2

It's truly the happiest time of the year
So special and so full of cheer
A time to be with my friends
A time to say sorry and make amends

Will you be happy with me?
It's a very simple time you must see
Let us remember who we truly are
Mere mortals with a gentle heart

Interlude

I wanna build a snowman
I wanna buy some presents
I wait up all night for Santa

Oh yeah
Oh yeah!
Yeah

Verse 3

They say you could hear the angels sing
They sang for little Jesus our king
And although three wise men did appear
Yet little baby Jesus Mary still held dear

And Jesus was finally here and all was right
Christmas was born on that cold fateful night
A tradition was begun that we've come to love
That moment God set in motion from up above

Chorus 3

It's truly the happiest time of the year
So special and so full of cheer
A time to be with my friends
A time to say sorry and make amends

Will you be happy with me?
It's a very simple time you must see
Let us remember who we truly are
Mere mortals with a gentle heart
